### The Art of Drawing the Figure DVD

Artist Bill Buchman, who has studied with America's foremost art educators, demonstrates how to make successful figure drawings one step at a time in his new instructional DVD *Art Is an Attitude: The Art of Drawing the Figure*. The viewer is able to look over Buchman's shoulder as he shows 25 fundamental figure-drawing techniques and reveals his methods of working with Conté crayon, gel pen, ink wash, Sumi brushes, soft pastels, watercolor crayons, and reed pen. In addition to the 90 minutes of valuable footage, Buchman also includes an illustrated glossary of art terms, a list of materials used, and contact information for further coursework.
